## Message from the Director.....

**The staff at MULTIPLEchoices Center for Independent Living serves individuals living with disabilities throughout a 10-county area of Northeastern Georgia. We invite all such individuals and their family and friends to visit our facility located at 145 Barrington Drive, Athens, GA. We look forward to becoming a part of the circle of support that leads to independent living.**

## MULTIPLEchoices CIL

Our Mission at MULTIPLEchoices Center for Independent Living (CIL) is to break down barriers and enhance the quality of life by empowering people living with disabilities, including veterans, through advocacy, education, and training.

### Independent Living Services

A Center for Independent Living (CIL) is a private, not-for-profit, consumer-controlled entity that provides non-residential, non-medical, Independent Living (IL) services for people of all ages living with disabilities.
