

EMPLOYEE OF THE MONTH - JULY 2021

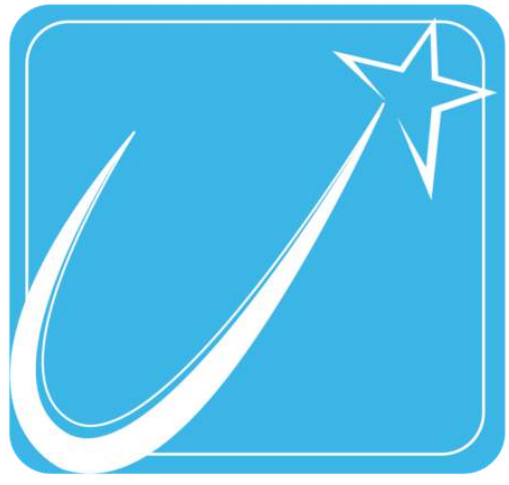

GEORGIA INDUSTRIES FOR THE BLIND

GVRA is pleased to kick off its Employee of the Month program by recognizing the entire staff of Georgia Industries for the Blind. GIB staff weathered the difficulties of 2020 with grace and dedication, ensuring that production was minimally impacted by the COVID-19 pandemic. While future months will serve to honor one individual employee agency-wide, we wanted to begin this recognition program by acknowledging the contributions of our GIB team. Thank you for your sacrifices and hard work!
