

1002.00 PROPRIETARY SCHOOLS

Standards

1002.01 It is the policy of the Vocational Rehabilitation Program (VRP) that all Proprietary Schools providing client services must meet the following standards:

1002.02 Schools located within the State of Georgia requiring licensure by a State licensing board must be approved by the appropriate board.

1002.03 Schools located within the State of Georgia not requiring licensure by a State licensing board must be approved by the **Georgia Nonpublic Postsecondary Education Commission.**

1002.04 Schools located outside the State of Georgia must be approved by the appropriate state licensing board.

1002.05 The work team should refer to Provider Standards for appropriate allowable fees.

Note: The Provider Relations Specialist approves providers in accordance with 1002.02, 1002.03 or 1002.04
