

**4001.00 RECOVERY RESIDENCE FOR PERSONS WITH CHEMICAL
DEPENDENCE – Provider Guidelines
(CSPM 482.0.00)**

4001.01 Description of Services

A recovery residence for persons with chemical dependence is a facility providing lodging, meals (or provisions for meals), and a recovery support program for persons making the transition to independent alcohol and drug free living. The focus is on abstinence, restoration, group therapy, and extensive use of self-help groups. Vocational and academic issues may also be addressed. Gainful employment is a significant objective of the recovery residence’s program. Duration of residency can vary.

4001.02 Provider Qualifications

All alcohol and drug recovery residences must be approved and currently licensed by the Office of Regulatory Services (ORS).

Note: The Provider Relations Specialist does not solicit providers for this service.

4001.03 Process for Outsourcing

It is the VRP staff’s responsibility to determine when Recovery Residence for Person with Chemical Dependence services should be purchased.

4001.04 General and Specific Standards

Report

Facilities providing residential substance abuse treatment services to VR clients shall report monthly to the VR counselor. Such reports shall include:

- client’s status within the program;
- client’s progress since the last report;
- information on client’s employment when appropriate, including;

Name

Address and Telephone Number of Employer

Client’s job title

Client’s salary

Date client began employment

Information on termination when appropriate, including date and cause of termination

Client's forwarding address, if available

Client's employment status at termination
